

## RESTORATION

1 Peter 5:10

“And the God of all grace, who called you to His eternal glory in Christ, after you have suffered a little while, will Himself restore you and make you strong, firm, and steadfast.”

During the continuing work of God in our life, we live out our faith from a position in Christ. Our heart of thankfulness is our foundation. We make every effort to obtain full restoration of our original God-design for us.

After people in our church experience rest and refreshing, the final stage is restoration. This brings them to the understanding of their true God-given nature, the ability to find their function within the body of Christ, and to get equipped to do that ministry to which they are called. This is our vision, “Building Disciples and Releasing them to Ministry.”

Our goal for every person in our church is for them to find out what their God-given ministry is, and to function in that ministry. Along that journey, they will also become emotionally and spiritually healthy, and enjoy a deep relationship with the Lord. We do not want anyone sitting on the side-lines, unless that is what they choose to do.
